Taking a Look Back on April

Patch Clubs

The Children have done such a good job singing. May will be the last month until September that you will get to hear them sing again. They have also done memory work and daily work at home.

A note from Catherine Power: I have had a GREAT time in the Monarchy this year! I've had fun learning verses , and songs. Tame nights are always fun. We play dodge ball, ping pong, Apples to Apples or a game Bro. Don made up..."You ruined it for everyone." I am always looking forward to Wednesday night classes

Work Day

What a beautiful day we had to work outside. We had a fish fry after all the work was done. There were about 22 that came to work and a total of 38 were here to eat. All worked together well and had great fellowship. The outside is looking so nice. How the outside looks makes a big impression on the image of our Church. The inside is very important too. What a great day.
